Product Use
For light and medium handling operations. Offers protection against the cold. For outdoor work. Logistics.

Features & Benefits

Feature
Leather glove-fine black suede deerskin
Fully lined with Thinsulate®
Elastic strip on the back of the glove

Benefit
COMFORT
The glove is made from suede leather and is thus naturally flexible.
Its Thinsulate® lining lets the skin breathe, does not absorb humidity and is ultra lightweight.
Elasticated at the wrist, the glove offers added support.
The glove's elasticated fastening at the back reduce thermal exchange.

© Honeywell International Inc.

The grip is improved by the buffed suede grain.

RESISTANCE
Its Thinsulate® lining provides excellent protection against the cold.

HYGIENE
The black colour makes the glove more soilproof.
