HyFlex®

ADVANCED MECHANICAL PROTECTION

70-114

Superior mechanical protection and cut-resistance

Previously known as: Neptune® Kevlar®

Cut | Medium Duty

Kevlar®-lined arm protection sleeves, offering cut resistance and heat protection

- **Elevated comfort:** HyFlex® 70-114 arm protection sleeves feature high-tech 100% Kevlar® para-aramid short fibers and an automatic knit liner, providing wearers with outstanding comfort
- **Advanced defenses:** Their blend of Kevlar® para-aramid short fibers also imparts excellent cut resistance capabilities, while ensuring contact heat protection up to 100°C/212°F
- **Enhanced features:** In addition, these protective sleeves feature a practical thumb slot, for a secure fit and extra wrist protection

Industries

- Automotive
- Metal fabrication
- Machinery and Equipment

Applications

- Press shop operations
- Assembly & inspection of components
- Applying sealers, touching up
- Equipment repair & maintenance
- Cutting glasses, sheets, panels
- Seizing structural and body parts
- Adjusting systems and screwing
