Pilot 165 lifejacket

A quintessential model in our lifejacket range, the Pilot 165 has been rejuvenated by our R & D to match your needs even more and remain a very good value for money.

The outer shell has been totally redesigned to enhance comfort, elegance and modern features, while ensuring its primary mission : to protect the lifejacket safety essentials.

More comfortable and lightweight, the new Pilot 165 confirms that it is the perfect all-rounder, ideal for all nautical activities (coastal navigation, regular daycruising, racing…).

REAL

- **Ergonomic design, elegant and modern.**
  Very flexible and boddy-hugging providing a perfect fit to an active crew.
  Slim cut with optimized folding : just the right degree of compactness to preserve flexibility.
- **Soft and flexible fabric.**
- **Outer shell with zip closure.**
  Perfect finish and great looks, opening of outer shell only when required.
  Provides a better protection of the air chamber and avoids outer shell untimely opening.
  Easy to fold and re-pack when checking or servicing.
