WypAll® X80 PowerClean - Midi Roll / White

Marketing Brand:	WypAll®
Sub Brand:	X80
Product Title:	WypAll® X80 Power Clean™ Heavy Duty Cloths 8252 - 2in1 Midi Roll Cleaning System - 1 Roll x 180 White Cleaning Cloths
General Description:	For heavy duty tasks on tough surfaces such as wiping up grime, oil and grease, having the right wipe on hand is crucial to your operation. A clean, absorbent and durable alternative to paper towels, rags and shop towels, WypAll® offers a wide range of task-specific wipes and cloths designed to meet your industry needs and enhance your confidence in every clean. The WypAll® 2in1 Midi Roll cleaning system offers both centrefeed or flat sheet side-feed dispensing options for a ready to use experience. Just like a large roll but lighter and portable, the convenient carry handle means you can easily and flexibly take out wiper sheets when and where you need them. Single sheet dispensing means you use just what you need, reducing waste and improving costs. The liquid resistant packaging also protects cloths against water, oil and grease. WypAll® 2in1 Midi Roll Cloths can be used with Kimberly-Clark Professional™ Industrial Floor Standing Wiper Dispenser (6154). WypAll® X80 Power Clean™ Heavy Duty Cloths are precision engineered to enhance cleaning performance and lower cost-in-use. Advanced Hydroknit™ technology ensures each reusable cleaning cloth provides industrial-strength durability and fast absorption, giving front-line workers the confidence to effortlessly clean challenging surfaces. The hydroentangling process bonds cellulose fibres into webs for faster absorption and greater tear resistance. Perfect for use as industrial wipers, these cleaning cloths remain strong when wet, can be reused and quickly absorb industrial-size commonly used chemicals, grease, and oil spills and can also be used to soak up food prep spills. The Power Clean™ range has been specially designed to tackle the toughest tasks - from heavy-duty cleaning to low lint surface prep, perfect for use in industrial manufacturing. Each cleaning cloth measures 31cm (L) x 31cm (W).

FEATURES AND BENEFITS

- Each 2in1 box of WypAll® X80 Power Clean™ Heavy Duty Cloths contains 1 centrefeed roll of 180 white cleaning cloths
- Precision-engineered cloths to remove metal shavings and debris from abrasive surfaces, like machines, tools, and parts and highly reusable, up to 20 times
- The WypAll® 2in1 Midi Roll cleaning system offers both centrefeed or flat sheet side-feed dispensing options for a ready to use experience, plus also being compatible with Kimberly-Clark Professional™ Industrial Floor Standing Wiper Dispenser (6154)
- Low weight, ergonomic portable case design, water repellent to protect cloths from water, oil and grease
- Sustainability driven design offers up to 15% reduction in consumption of cloths due to optimised sheet and dispensing, for environmental assurance and lower cost-in-use
