WypAll® X70 PowerClean - Midi Roll / Blue

Marketing Brand:	WypAll®
Sub Brand:	X70
Product Title:	WypAll® X70 Power Clean™ Medium Duty Cloths 8251 - 2in1 Midi Roll Cleaning System - 1 Blue Roll x 215 Blue Cleaning Cloths
General Description:	For medium duty tasks such as wiping up grime, oil and grease, having the right wipe on hand is crucial to your operation. A clean, absorbent and durable alternative to paper towels, rags and shop towels, WypAll® offers a wide range of task-specific wipes and cloths designed to meet your industry needs and enhance your confidence in every clean. The WypAll® 2in1 Midi Roll cleaning system offers both centrefeed or flat sheet side-feed dispensing options for a ready to use experience. Just like a large roll but lighter and portable, the convenient carry handle means you can easily and flexibly take out wiper sheets when and where you need them. Single sheet dispensing means you use just what you need, reducing waste and improving costs. The liquid resistant packaging also protects cloths against water, oil and grease. WypAll® 2in1 Midi Roll Cloths can be used with Kimberly-Clark Professional™ Industrial Floor Standing Wiper Dispenser (6154). WypAll® X70 Power Clean™ Medium Duty Cloths are precision engineered to enhance cleaning performance and lower cost-in-use. Advanced Hydroknit™ technology ensures each reusable cleaning cloth is strong and provides the fast absorption that front-line workers need to effortlessly prepare and clean medium to heavy-duty surfaces with confidence. The hydroentangling process bonds cellulose fibres into webs for faster absorption and greater tear resistance. Perfect for use as industrial wipers, these durable cleaning cloths remain strong when wet, can be reused, are good at soaking up food prep spills and are designed to hold up against industrial contaminants like dirt, oil, solvents, and grime. Blue cleaning cloths are also designed to be easily detectable in contamination critical environments. The Power Clean™ range has been specially designed to tackle the toughest tasks - from heavy-duty cleaning to low lint surface prep, perfect for use in industrial manufacturing. Each cleaning cloth measures 31cm (L) x 31cm (W).

FEATURES AND BENEFITS

- Each 2in1 box of WypAll® X70 Power Clean™ Medium Duty Cloths contains 1 centrefeed roll of 215 blue cleaning cloths
- Deals with thicker contaminants such as grease and grime and provides great durability, allowing cloths to be reused up to 10 times
- The WypAll® 2in1 Midi Roll cleaning system offers both centrefeed or flat sheet side-feed dispensing options for a ready to use experience, plus also being compatible with Kimberly-Clark Professional™ Industrial Floor Standing Wiper Dispenser (6154)
- Low weight, ergonomic portable case design, water repellent to protect cloths from water, oil and grease
- Sustainability driven design offers up to 15% reduction in consumption of cloths due to optimised sheet and dispensing, for environmental assurance and lower cost-in-use
